accompanying problem of lack of mooring space for those boats have put Ritter in an unfair position. "It puts one individual in a position of emotional strain. It's not only unfair, but it puts him in a spot where people think he's playing favorites," Fink said.

Selectman Rocco Laugelle felt that control of the mooring list should be retained as Ritter's responsibility. "He should make decisions. Over and above what he can do, he

can bring to the Board of Selectmen," he said.

Selectman Chairman Arthur Clark was sympathetic to Fink's suggestion and Ritter's position. "I know what Harry's been going through these last few years," he said,

Ainslie also felt that control by the Study Committee would afford too lengthy a time in which to make additions and alterations to the list.

SWIM AWARDS

Brenda Birmann, 16, daughter of Mr. and Mrs. Gerhard Birmann of 107 Atlantic Ave., was the recipient of this year's Bancroft Award, given Sunday night at the Swim Center's annual awards night. Brenda has been a member of the Cohasset Swim Team for three years and in her first year, was chosen as the Most Improved Swimmer.
